## Smoothies

**Smoothies are a combination of whole fresh frozen fruits and juices. Blended on the spot with our homemade vanilla ricemilk. The secret is in the ricemilk, it has less sugar and a better rich smooth texture than any other base. What you see is what you get, and what you get is a smoothie packed with pure flavor from the tropical islands of Hawaii. We can use coconut water, orange juice, apple juice, or lemonade as the base for any smoothie for just \$1 more. Add a variety of Boosters to your Smoothie and drink to health!**
